October Food Stamp Mass Change Update

The Food Stamp Mass Change job ran successfully to completion last night, Wednesday, September 4, 2002. We made the mass change smarter to identify and skip over cases that don't make sense, so we will avoid delays during future mass changes.

Hard copies of the mass change reports will be distributed statewide tomorrow morning, Friday, September 6, 2002. We are working on getting these reports added to DocumentDirect. Another broadcast will be sent letting you know as soon as they are available on-line.
